*Subject: Village of Carpentersville, Various Roadways
June 27, 2024 Bid Opening*

To Prospective Bidders:

The contract documents for the above referenced project are hereby amended as set forth below. The information contained within this Addendum No. 3 shall be treated as if it was originally contained within the contract documents.

Modification to the Special Provisions:

1. For clarification purposes, the Schedule of Prices (BLR 12201) has been revised.

The quantity for EARTH EXCAVATION has been revised to 2,928 CU YD. The pay item for SANITARY SEWER REMOVAL 8" was listed twice. The correct quantity is 1,736 FOOT. A new pay item has been added MISCELLANEOUS ADDITIONS AT THE VILLAGE'S DISCRETION with a quantity of 1 L. SUM and a unit price of \$50,000.

2. For clarification purposes, a description of how the TRENCH BACKFILL quantity was calculated is listed below.
 - **The quantity for TRENCH BACKFILL was calculated to the bottom of the subgrade for storm sewer. Additionally, for the water main and sanitary sewer, the first 1' of TBF above the crown is incidental and not paid for under TBF. Finally, TBF for sanitary services is considered incidental.**

No Proposal shall be considered responsive, nor shall any Proposal be considered, unless the Proposal is accompanied by a signed copy of this Addendum No. 3. The signed copy of Addendum No. 3 shall be attached to the Proposal.

The undersigned agrees to be bound by the modifications made within this Addendum No. 3, and hereby waives any and all claims based upon the additional or modified information contained herein.
